Foundation President

Welcome to the 2015 Variety Extravaganza. We are excited to be celebrating our 21st year as a Foundation. Thank you for joining us this evening supporting music education in this community. We hope you will enjoy a fun-filled evening with friends, family, and others who care about making a difference in the world of music.

It has been another great year for the Foundation; we have continued our mission by providing scholarships to children in our communities. We have provided several performance opportunities for these children to demonstrate their skills and abilities and to help build their confidence by performing in front of an audience. We have spent time building new relationships in our communities and educated them on our mission.

Tonight's Variety Extravaganza continues SEF's goal of helping young people pursue music education. On behalf of the Board of Directors, I want to thank our sponsors, advertisers, and volunteers for all that they have done to make this event a success. During the course of the evening, I hope that you will take the opportunity to learn more about SEF and consider how you can become involved. I invite you to make plans to attend other events where recipients perform. You will be amazed by their accomplishments.

Please support the individuals and businesses that have supported us.

Thank you again for coming!

what you get out of it
depends on how you play it.”

Welcome to “Puttin’ on the Ritz”!!

Tonight we celebrate you the supporters of Stubbs’ Educational Foundation! Over the last twenty years you have helped SEF provide 679 music and academic scholarships valued at \$565,620 to students in North Florida and South Georgia! Thank you community partners for your collaboration and thank you providers for being the professional instructors for the SEF recipients!

After 46 years of teaching piano I recently passed the torch to Sarah and KC Brown to keep the flame burning at Stubbs’ Music Center and TA-DA. What an honor and privilege it has been providing music education in Tallahassee. The talent of my faculty over the years has been magnificent and humbling. The many students and families that have touched my life has been a blessing. Memories have been made that I will always cherish!

My inner drive has been to help students empower his or her life through developing a skill that lasts a lifetime! I truly can say each day was filled with happiness, music, inspiration and blessings!

Now I am celebrating that I have the opportunity to focus on Stubbs’ Educational Foundation and continue to be an individual that can assist with making more dreams come true! Music education takes a village and SEF was established with the mission of attaining private philanthropic funding from individuals, corporations and foundations across the region. We invite you to continue or to become a part of the music movement to help students do something greater in life with the empowerment of music education.

Tonight we are celebrating Mike and Judy Pate who have taken that step by establishing the Pate/Baker Scholarship. What a legacy the Pates have provided to recipients for years to come!

Thank you for being present to enjoy “Puttin’ on the Ritz” for scholarships!

Pate / Baker Scholarship

Established 2014

This endowed scholarship is established in memory and honor of Judy's parents, Juanita and Martinez Baker. Both of their daughters, Susan and Judy, received college degrees in music as the result of the love and encouragement provided by their parents. Judy was the first female band director in Leon County at Raa Junior High School in 1968. This scholarship is to help students learn and love music.

"BE A DREAM MAKER"

Will you be a Dream Maker?

We are committed to change.

Changing the life, turning dreams into reality, one child at a time is a remarkable gift. It is such a remarkable gift that it blesses the recipient and the donor.

The mission of Dream Makers is to provide the gift of music and joy. It is a vision and purpose calling for the development of young lives through music education.

"Nothing is more important to parents than the health and happiness of their child. Children are our greatest responsibility, and ultimately, our future. From birth, many people are responsible for the education, the successes in life, and the marks our children make on the world. I made the decision eight years ago to send my daughter to Robert F. Munroe Day School. I have no doubt that her teachers are giving her the best education, the strongest character development lessons and all the tools she'll need to succeed and make HER mark on our world and future."

The FOUNDATION was incorporated in 1994 , approved as a 501(c)(3) charitable organization and registered with the Florida Department of Agriculture & Consumer Services SC-06190. The Foundation was established as a community foundation and provides an avenue for all local music teachers to offer their instructional programs to scholarship students. We have developed and implemented an extensive set of policies and procedures related to our Scholarships awards. Currently five Music Schools and Tallahassee Community College provide instruction to our scholarship recipients. The foundation awarded 39 scholarships for 2014-2015

has awarded to date **679** music scholarships valued at \$565,620.00

has established **28** - \$20,000 permanent endowments,

has established the "**Variety Extravaganza**" as the major annual fund-raising event,

has developed a comprehensive web site, www.stubbsfoundation.org

and has partnered with other community organizations in **providing scholarships to:**
